CD415

Cash Drawer

The CD415 is a highly reliable cash drawer for both retail and hospitality environments. The narrow footprint (16inx16in) minimizes the amount of counter-space required for your Point of Sale system. The deep under-till storage compartment can hold a tremendous amount of coin rolls and media. With steel ball-bearing slides and a durable powder coat finish you can see and feel the quality of this top-of-the-line cash drawer.
