NOTES: For current version of this guide see the APG Cash Drawer web site at www.cashdrawer.com or contact customer service at (763) 571-5000. The 520 MultiPRO® Interface is not available in the Vasario product line. All cables are 5ft. [1.5m] long, unless otherwise specified. Contact APG for longer cables. Many options listed above are available in 10ft [3.0m] cable length options. The DirectPRO™ interface includes a hardwired cable connected to the Cash Drawer with the proper termination for the specified host device. Consult APG Doc No. M-43-015 Cable Pinout Guide for pinout information on these various cables
