

2403LM 24-inch LCD

Medical Grade
Touchscreen Monitor

IEC60601-1 4th edition & IP54 Compliant

Optional Privacy Screen for HIPAA Compliance

Edge-to-edge design with integrated 10-touch

Product Overview

The Elo 2403LM 24-inch Medical Grade Touchscreen Monitor delivers a professional-grade interactive solution with Elo's industry-leading TouchPro® PCAP technology featuring edge-to-edge glass and enabling up to 10 simultaneous touches. The clear glass touchscreen provides exceptional image clarity, resolution, and light transmission for vivid images and details. Available in either black or white housings, the feature rich touchscreen monitor is equipped with dual built-in speakers and VGA and HDMI video connectors - and backed by a three-year warranty. The 03-Series is designed for healthcare with a compact form factor and clean design combined with IP54 certification and compliance with IEC60601-1 4th edition requirements.

A wide range of peripherals and accessories can be used with the 2403LM including handles to allow physicians to move the monitor with ease during patient visits and privacy screens for HIPAA compliance. And, with the integrated USB 2.0 hub, third party peripherals can be easily added such as a fingerprint reader or barcode scanner.

Other sizes available including 19-inch, 22-inch and 27-inch displays creating a seamless style across a variety of installation requirements

Touchscreen is compatible with use of finger, glove and stylus

Multiple mounting options including stand mount, wall mount and pole mount

2403LM 24-inch Medical Grade Touchscreen Monitor

Specifications
