Elo Pay 22" 'Tap to Pay'

Integrated Payment POS

Integrated NFC for contactless payments

Android 14

Enterprise-Grade Support

Product Overview

Discover seamless transactions with the Elo Pay 22-inch integrated payment solution. The self-service platform pairs a Full HD touch display with integrated NFC, Android 14, and the Qualcomm QCS6490 processor to deliver fast, reliable performance. From self-order and self-checkout to ticketing and customer check-in, deploying kiosks has never been easier. Pair the Elo Pay 22-inch with a variety of stands, including the popular Wallaby Pro to create the self serve solution your business needs.

With no need for complex payment certifications and access to immediate integration, it's never been easier to start transacting. Start changing the way customers and employees interact by deploying a new generation of interactive technologies that provides seamless integration, effortless provisioning and simplified device management via EloView™ or your preferred management tools.

Integrated NFC offers Full EMV L1 compliance to accept payments

Universal VESA mount allows the Elo Pay 22" to mount on a variety of stands, pole mounts and wall mounts.

Configure for a variety of applications with three Elo Edge Connect™ ports integrated along the display edges

Elo Pay 22" 'Tap to Pay' POS System
