Quick Installation Guide

ELO-KIT-KEYPAD-1523L-1723L

Revision A
P/N E541676

www.elotouch.com

Installing Keypad

Step 1:

Connect the cable to the keypad. Install the keypad onto the bracket (Select the appropriate bracket compatible with either model 1523L or 1723L). Secure it with the (4) M3 x 7mm flat head screws from the package, as shown.

Step 2:

Remove the (2) screws from the peripheral cover and detach the peripheral cover. Then remove the screw from the stand, as shown.

Step 3:

Connect the cable to the monitor.

Step 4:

Install the keypad and bracket onto the monitor. Begin by fastening the (2) M3 x 6mm pan head screws provided in the package, followed by the M4 x 18mm flat head screw. Tighten all screws as shown in the illustration.

Installing Optional MSR Edge Connect (E001002)

Step 1:

Remove the Edge Cover from the keypad to expose the peripheral bay.

Step 2:

Gently press the MSR into the peripheral bay making sure the connector is mated.
