

Logic Controls KB1700 Bump Bar Legend Sheet

Use one of the template options below for your KB1700 unit, or contact us for a custom layout via your sales representative.

KB1700-A Default Template	 The KB1700-A Default Template layout features a top row of six colored function keys: a red 'Ctrl' key, a yellow '-' key, a blue '+' key, an orange '+' key, a green '→' key, and a yellow 'Sp' key. Below this is a row of ten white numeric keys (0-9) and a grey left arrow key.
KB1700-B	 The KB1700-B layout features a top row of six colored function keys: a red 'BUMP' key, a yellow 'RECALL' key, a blue 'SUM' key, an orange 'PAGE' key, a green up arrow key, and a yellow down arrow key. Below this is a row of ten white numeric keys (1-10) and a grey 'REDRAW' key.
KB1700-C	 The KB1700-C layout features a top row of six colored function keys: a red 'BUMP ITEM' key, a yellow left arrow key, a blue right arrow key, an orange up arrow key, a green down arrow key, and a yellow 'BUMP TICKET' key. Below this is a row of ten white numeric keys (0-9) and a grey 'MENU' key.
KB1700-D	 The KB1700-D layout features a top row of six colored function keys: a red 'Bump' key with 'Ctrl' below it, a yellow 'Recall' key with '-' below it, a blue 'Scroll' key with '+' below it, a red 'Mode' key with '+' below it, a green 'Home' key with '→' below it, and a yellow 'Summary' key with 'Sp' below it. Below this is a row of white keys: '0/10', '1', '2', '3', '4', '5', '6', '7', '8', '9', and a grey left arrow key.
KB1700-E	 The KB1700-E layout features a top row of six colored function keys: a blue 'VIEW' key with an 'X' icon, a red 'PARK' key with an up arrow icon, an orange 'LANGUAGE' key with a down arrow icon, a pink 'ZOOM' key, a green 'RECALL' key, and a yellow 'BUMP' key with a checkmark icon. Below this is a row of white keys: a grey 'RESET' key, '1', '2', '3', '4', '5', '6', '7', '8', a grey left arrow key, and a grey right arrow key.

KB1700-F	 The KB1700-F keypad features a top row of six large buttons: 'VIEW ORDERS' (red), 'RECALL' (yellow), 'MONITOR SUMMARY' (blue), 'NEXT SCREEN' (orange), an up arrow (green), and a down arrow (yellow). Below this is a row of ten small white buttons numbered 1 through 10, followed by a 'REDRAW' button.
KB1700-IN	 The KB1700-IN keypad has a top row of six buttons: 'Bump Order' (red), 'Recall' (blue), 'Summary' (purple), an up arrow with a left arrow (green), a down arrow with a right arrow (green), and 'Bump Item' with a left arrow (red). The second row consists of 'Menu' and 'Info' buttons, followed by eight large yellow buttons numbered 1 through 8, and a 'Mode' button.
KB1700-K	 The KB1700-K keypad is branded with 'iBISTRO QSR' and 'WINCOR NIXDORF'. It features a numeric keypad (0-9) and a 'CTRL' button. Below the numeric keypad are two sections: 'BOTTOM' with left and right arrow buttons, 'RECALL', and 'BUMP' buttons; and 'TOP' with left and right arrow buttons, 'RECALL', and 'BUMP' buttons.
