

# Outdoor touch overlay

## TE-IP65

- Plug and play on Windows O/S
- Works with most displays including LG, Samsung, HP, and Dell
- Simple to attach to displays
- Made for outdoors and rough environments
- IP-65 rated for water resistance
- Dustproof

The touch screen overlay is designed for speed, allowing swift and smooth movements on any application. The infrared (IR) sensors easily detect fingers, styluses, gloved hands, or other objects. The TE overlay is a great choice for integrating into kiosks and outdoor displays.

SPECIFICATION	DETAIL
Active area	32"-65"
Aspect Ratio	16:9
Housing	Plastic
Housing color	Black
Bezel width	0.75 inches
Bezel thickness	.44 inches
