

MT4208

Tablet transforms into:

- POS station with optional docking station
- Barcode scanner with optional pistol grip

KEY FEATURES

- An 8" tablet that can transform into a compact all-in-one POS terminal when paired with the optional printer docking station. The MT4208 system is modular with maximum flexibility to configure as needed.
- 8" industrial-grade tablet running Windows® 8.1 Industry Pro
- Projected capacitive touch
- 1024x768 screen resolution
- MSR and hand strap included
- 60% smaller than typical POS setup*
- WiFi in tablet for wireless printing and other remote tasks

Options

- Pistol grip, which features:
 - Removable battery for 2x longer tablet power
 - 2D scanner
- Encryption Capable 3 Track MSR
- Docking Station with built-in wireless 3" thermal printer, 200mm/sec print speed

Hybrid Fixed and Mobile POS

All-in-One Compact POS with Mobile Freedom

Posiflex has bridged the fixed terminal / mobile gap with the innovative MT4208 system. This hybrid Windows 8.1 Industry Pro driven system takes an aluminum diecast, multifunction tablet and transforms it into a complete, compact, all-in-one POS system.

An optional pistol grip with barcode scanner can be added for additional battery life and functionality. The pistol grip and tablet — or the tablet only — can be set in the optional docking station to create a fixed terminal or kiosk. This hybrid solution completely bridges the high standards of fixed terminals with the flexibility of being mobile as your business requires.

* Windows 10 only
